

Exempting Course Providers - Mediation

The CI Arb mediation skills training course comprises of 5 eight hour days of face to face tuition (40 hours), and 2x one hour assessments where the trainee mediator is given the opportunity to open one mediation (mediator 1) and then continue a second mediation (mediator 2). Please note that the hours quoted exclude breaks.

In order to assess exemptions for other mediation training providers, it is important to note that **if an alternative course does not comprise of a minimum of 40 hours' tuition and two separate hours of assessment, the exempt course is likely to attract associate member grade.**
