I am standing for election to the Ciarb Board of Trustees for the Middle East / Indian Sub-continent region, and I would like to ask for your vote.

For many years my work has sat between practice and teaching. I act as an arbitrator and legal consultant, and through Gloria Academy I run diploma programmes that help professionals in our region prepare for Ciarb membership. I teach in Arabic and in English, and I spend a good part of my time mentoring people who are at the start of their careers in dispute resolution. My research keeps me close to the questions our profession is dealing with today.

That experience shapes what I would work on as a Trustee.

First, training in both Arabic and English. Many capable people in our region are held back by language rather than ability, and Ciarb can do more to reach them.

Second, mentorship with a clear structure. New members should be able to find an experienced practitioner to guide them, and they should be able to see the steps from Associate to Fellow.

Third, practice informed by research. Our region has its own experience and scholarship, and it deserves a stronger place in Ciarb's work.

Voting is open until 7 December 2026. If you are a voting member, I would be grateful for your support. If you are not, sharing this post would help a great deal.
