# Parents in Arbitration

5 September 2022

8 am (New York)

1 pm (Lagos/London)

2 pm (Paris)

8 pm (Singapore)

How to successfully juggle between family life and a career in international arbitration? How to be a reliable parent/partner at home AND a reliable team member at work? How do other arbitration practitioners do it, what are their personal tips and struggles, and the sometimes winding road they have taken to become an accomplished international arbitration practitioner while having a family?

Join us for a lively and vibrant panel discussion where our speakers will be attempting to answer these questions and many more by sharing their success (and war) stories, anecdotes, and tips.
