

Branch Seminar Series on the Practice of Arbitration Part Two: The Work of Independent Arbitrators

Description

Join us in person for the second part of our series on the practice of international arbitration. This seminar, kindly hosted by Arbitra at the IDRC, puts the spotlight on the diverse range of professionals who successfully work as arbitrators outside of large structures such as law firms and barristers' chambers. Parties have always been free to choose full-time arbitrators with expert knowledge of their sectors and who may practise in other jurisdictions. Hear from some of them and from the Head of Arbitration Practice at the Ciarb about what truly goes into practising independently.

Speakers

The event will be chaired by Tope Adeyemi FCIArb, and the panel, moderated by James Clanchy FCIArb, will comprise Karina Albers FCIArb, Lucy Greenwood FCIArb, C.Arb, Mercy McBryer FCIArb, Adedoyin Rhodes – Vivour SAN, C.Arb and Paul Sills FCIArb. Bios can be found [here](#).
